April Board Meeting

Monday

April 13

10:00 AM at Beacon Woods Civic Center

Landscape Committee

The Landscape Committee has completed placing the edging in our planted areas.

Looks GREAT,

Thank you volunteers.

John Segreti passed away on 3-5-2015.

Long time resident and a past President of the Board of Directors.

John had a wealth of knowledge regarding Village Woods and had a willingness to help out. He will be missed by the board and his many friends and acquaintances.

Rest in peace and thank you

Lock Your Home and Lock Your Car

We have been hearing of car break ins' in the area.

Don't let strangers in your home.

Board Responsibility

Our documents **REQUIRE** approval by the Board BEFORE any exterior changes are attempted.

COYOTES: This is their breeding season and they are more active now. In talking with Pasco County Animal Control today, they have stated that there have been NO rabies cases reported.

They stress that people should not leave any garbage out of trash receptacles, and not to leave pet food outside.

In addition there hasn't been an cases of them being aggressive toward people or pets.

Use caution if you should see any of them.

Report Coyote Sightings to the staff at the Beacon Woods Civic Association

Unit Owners Report Problems and Request Service Via Service Coord.

Please call the Service Coordinator at Management and Associates to report ALL problems or to request service. The Board will then be notified.

Box Breakdown

Please help: when placing boxes into the trash bins break them down. When assembled they take up a lot of room.
