**Mary Ann Marciniak remains as Treasurer
Pete Treanor Director at Large**

**There were 28 Associates in attendance.
Thanks for your participation.**

**There were a couple of questions asked:
Shrub replacement, and Pets.**

With regards to the shrub replacement, the BOD authorized a survey of all units and have a generated list that will be used to plan the replacements.

We will be replacing shrubs on the basis of missing or worse first. Please remember that those units that are scheduled for replacement the resident will be required to sign a form indicating that they will follow a proscribed watering schedule.

This program will be started shortly.

The question regarding pets deals with Service and or Emotional animals. At present the interpretation of these laws that were instituted in 2016 are being addressed by our Attorney, we are waiting for his response.
