2009 IN REVIEW

We will share with you a laundry list of what happened in 2009. Be at the meeting to fill in anything that we missed.

SHOPPING CARTS

Did you know that taking shopping carts off of the premise of the provider is a felony.

There are now 3 shopping carts behind the dumpster on Darwood Drive. We are hoping that it is someone from another area dropping them off in Village Woods. Pasco County Sheriff department is looking into this.

2009 ENDS IN A SOAKING

A water main break on Danube added to the water Mother Nature dumped on us. We need the rain but a break in the 6 inch main was a bit much. Repairs to the paving and parking area will be taken care of soon.

THANK YOU

Barbara May and Tony Capeci for the holiday decorations we see at the entrances to Village Woods.
Much Appreciated.

WHO TO CALL

Management and Associates is our management company. Questions or concerns should be directed to the toll free number 1-877-626-2435. We will be discussing how service requests are generated at the meeting on Jan. 11. 2010 at the Civic Center.

Talk is cheap compared to what it once was. In 1915 a phone call from New York to San Francisco cost \$20.70 for the first 3 minutes.
