## HAPPY VALENTINE'S

### ANNUAL MEETING

The next Village woods meeting is on **MONDAY FEBRUARY 11th AT 1PM AT THE CIVIC CENTER MAIN AUDITORIUM.** This is our annual meeting and there will be many items that will be discussed, along with the 2008 slate of officers for the Board of Directors. Please mark your calendar.

### NEW SOD

Over 7500 square feet of sod has been installed on Darwood Dr. This long over due and costly project has finally been completed. Additional areas in need of sod will be looked at later in the year. Watering sprinklers and hoses (where needed) were provided and watering instructions were given to each unit owner. It is imperative that this new sod be watered according to instructions. The new sod cost thousands of dollars and we need to get it off to a good start.

### SPEED LIMIT IS 15 MPH

Please respect your neighbors! Drive safely! Please slow down.

### LAWN CARE

Our new vendor - **TRU-GREEN** will be here starting February 4th. Your patience and cooperation is requested.

**Please do not apply any chemicals or fertilizers on your own.** This could set our lawn areas back even further.

### LEAVING FOR AWHILE???

If you are going away from your condo for an extended period of time - here are a few tips:

- Pour 1/2 gallon of bleach in each toilet then cover bowl with plastic wrap and put toilet seat and lid down.
- If you unplug your refrigerator make sure that the door/s are not completely closed.
- Set the A/C at 85o so you do not have a humidity or mold problem.
- Turn main switch for hot water tank off.
- If you have a water softener - unplug power source.
- Turn off main water supply valve.
- Give a key to a neighbor that will check your unit occasionally.

### A SPECIAL THANK YOU

To our outgoing officers - Norma Greble - President and Jim Beebe - Director at Large. We all thank you for your efforts to help make Village Woods a community that we can be proud of. All too often the behind the scenes efforts are not noticed. Again - Thank you!!!!!!
