### **Reminder**

There will NOT be a Board meeting in December.

**Volunteers are needed**, keep our pleasant surroundings by helping our landscape committee. We also need help in other areas such as getting on the board.

The e-mail Newsletter is no longer available. To view a current or past letter(s) please go to our web site [www.villagewoods.weebly.com](http://www.villagewoods.weebly.com) Newsletters are posted there. This also gives you an opportunity to review the by-laws and any other document that may be of interest to you.

### **A reminder:**

#### **To report a problem:**

Unit owners please call Mr Rick Limbert of Management & Associates 813-433-2001, he is the Service Coordinator for V. W. C. A service request will be written and sent to the BOD for review and disposition. Please DO NOT contact a board member as your first contact. Calling Rick will be the most efficient way to report an item. Items of an emergency nature will be taken care of at Ricks discretion. Renters call your unit landlord first as we will not take action without hearing from the owner.

The problem with coyote sighting seems to be on the rise.

Get a copy of the Beacon Woods "Woodsmen" publication as there is a VERY GOOD article regarding the do's and don'ts regarding this problem.

I have been in contact with the Pasco County Animal Control Dept. Regarding these increased sightings, and asked what can the county do to help eliminate this problem as it presents a possible safety situation to walkers and a health problem with the spreading of rabies to our domestic pets etc.

The person that I was speaking with was very sharp with her statement of " we do not trap or do anything regarding coyotes.

A suggestion form is being sent with the mail out. Please feel free to pass your suggestions to the Management company which in turn will be sent to the BOD for review extra copies will be available through the Management company.

**The members of the board wish all a Happy Thanksgiving.**
