This past April, Jim Beebe our Treasurer notified the Board of Directors that he will not seek re-election in February. This last August Jim and his wife Bonnie signed papers on a house in the area and will be moving in January.

We will miss Jim's dedication and his knowledge, he has served our community for many year in several board's positions. Bonnie gave many hours of her time working with the gardening committee rearranging plants, planting new ones and in general helping to improve the looks of our community. She to will greatly be missed.

Safety tip:

If you hear a noise outside your home or someone trying to get in your house, just press the panic button for your car. The alarm will be set off, and the horn will continue to sound until either you turn it off or the car battery dies.
